RE: m/o 23/023

Dear Ms. White,

HE Davis Construction hereby requests a 30 day extension to submit a revised notice of intention for the Henry Mine in Juab County. HE Davis announced today that it is merging with Sunroc Corporation effective January 1, 2006. This would allow us to submit the document under the Sunroc name hopefully simplifying the process. Thank you for your consideration in this matter.

Tony L. Christofferson

Property/Environmental Manager
